This leaves four positions open. We need a Chairperson and Co-Chair, a co-secretary and a co-treasurer. All positions other than the co-secretary suggest a minimum of two

years of sobriety. It is suggested that to co- secretary have at least one year of sobriety. All positions are for two years, to coincide with the panel. There was discussion about the future of the committee and the consensus was that the committee would continue to operate. If no one steps forward to the Chair position, the guidelines state that the Area chair would appoint a committee chair.

It should be announced at meetings that we do have service positions that we would like to have filled and that anyone willing to step up is invited to attend our December 4th meeting.
