BILL W. STATES: "that are first duty as a society is to insure our own survival; that we must avoid distraction and multipurpose activity. That an AA Group as such can't take on all the personal problems of its members, let alone the problems of the whole world. Upholding AA's Traditions is not an easy or popular stance in Today's AA. Those who do are often criticized for being out of touch or uncaring. I CALL THEM SOLID. ARE YOU ONE OF THEM?"
