Flight, released in 2012, starring Denzel Washington. An airline pilot saves almost all his passengers when his aircraft experiences a catastrophic malfunction. Unfortunately, the investigation that follows reveals something much more troubling. This movie will hit home with anyone associated with addiction, and echoes the story 'Grounded', p522 in the Big Book.

To RSVP or if you have questions, text David G. - 614 - 226 - 0045.
