

Correctional Facilities Committee Report  
September 13, 2020

The corrections committee had the quarterly meeting September 5th at cogf.

They voted to hold elections in December using a hybrid model. Cogf holds 25 people allowing for social distancing.

Our web administrator, recording secretary, and a GIR will be putting the online voting together. A past chairman of the committee will be facilitating the elections.

We approved just over 16,000.00 for literature when institutions open back up.

We have approximately 300.00 left in operating expenses from the area.

Thank you,  
Brandi V., chairperson
