

## **September 2020 Area 53 Chairperson Report**

Well, the past three months have flown by, and here we are at our Panel 71 election assembly. First I would like to thank you all for the opportunity to serve as the Panel 69 Chairperson of Area 53, I look forward to continuing to serve the area in some capacity.

I can say it has been an experience, with so many changes & new things to learn. I have been attending two different “Zoom” meetings held for Area Chair’s (*One out of Chicago & The other out of New York*). I have also been attending a series of nationwide “Zoom” (AA) meetings that we have been discussing How to conduct elections with the Third Legacy (*What has worked, what hasn’t, and what should we try next*). I have been able to attend some conferences that I would not have been able to if it hadn’t been for COVID-19. Hopefully, I will be attending the NAATW (*National AA Technology Workshop*) on September 12.

As always if you have any questions, comments, concerns – please feel free to contact me.

Respectfully Submitted
