

MARCH 2021 AREA 53 ASSEMBLY

Intergroup Liaison Standing Committee Report

The Committee meets triennially with the five intergroup offices in Area 53:

COGF (Central Ohio Group Fellowship)

LAI (Lancaster Area Intergroup)

MAGF (Marion Area Group Fellowship)

LCIO (Licking County Intergroup Office)

AOIO (Appalachian Ohio Intergroup Office)

This past February COGF, LAI and AOIO joined in on Zoom. We talked about the Grapevine Committee, and COGF said their Grapevine book collections are discounted, and LAI marks their older Grapevine magazines down. Information on the Accessibilities Committee, brought out that COGF and Lancaster both have copies of the Big Book in Braille and COGF also has literature available in Spanish.

The big news is that there is a new book! [A Visual History of AA](#), which was produced for last year's cancelled International Conference, is at COGF for \$12.
