I have been working closely with Registrar, Dan S., to develop a mailing list of GSRs and Group Contacts.

- This is, and will always be, an imperfect list.
- Best effort to share information with AA members throughout the area.

GSRs, you are the critical link in this process.

- Please share the minutes, Standing Committee info, etc.. with your groups. These help members to connect with the important Twelfth Step work of our Standing Committees.
- Update your contact information using the GSR Resources available on the Area 53 Website.

Thank you to all members of this Assembly who have submitted written reports.

- Sent to the entire Assembly mailing list ahead of the Assembly.
- Intended to help all members follow along during reports.
- They will all be attached to the minutes.

Respectfully, Chris J., Area Secretary
