

Treatment Facilities Comm Report
March 2021

We met in February. This was our first meeting. We appointed a secretary. We met with the Grapevine Committee chair, who was offering free Grapevine subscription to some of the Treatment facilities. She is going back to her committee to determine how many will be available. We also started up a gmail account where we can keep our minutes and other communications. we voted to start meeting monthly and our next meeting is March 20th. Our zoom id is 994 3746 9249 with the password being 699474. Our plan is to start a list of treatment facilities. Our goal is to create a system to where we can organize the treatment facilities that are interested in our help with people in AA.

With regards,

Alison B.
Treatment Facility chair
