**Discussion, Issues or Concern your District is having, or had, that you would like to share**

We currently have 16 in person meetings available at this time in Knox county, no known zoom meetings. Must recent issue was weapons on church property in a meeting. No one had any experience up to that point for a reference as to what to do. Found out that most churches have a no weapons policy but that is at each churches discretion. Just a heads up so maybe you can be proactive for your area. Thank you for letting me serve.
