Issue or Concern your Home Group is having, or had, that you would like to share

We are discerning in our group conscience when we will return to in-person meetings. We are back to meeting via Zoom after trying a "hybrid" meeting (where some were in person and some in Zoom). We have continued sending monthly donations to the church to hold our space.

Navigating reopening our meeting in-person. We have a good space to holding in-person, socially distanced meetings, with firm mask requirements and post meeting sanitization practices. But there is a reluctance within

the group conscience to re-open officially, and update with COGF and setting some sort of meeting capacity. I guess any sort of guidance from the area, or information on what other groups are doing could be helpful in making our decisions.

Late April anniversary

Issue or Concern your Home Group is having, or had, that you would like to share

Our church has still not opened to the public, so our meeting has been on Zoom for about 1 year.

We will continue reaching out to our church to inform if and when we can return to an in-person or hybrid meeting.

Same as all groups, awaiting safe time to transition to in person meetings. Pleasant Valley Group is thriving on Zoom and growing, collecting 7th tradition and making contributions to 5 entities. We continue to be a full functioning home group grounded in all 3 parts of the program.

Meeting has moved from inside, to zoom, to outside, back to inside with masks and distancing, and will be moving outside again soon. Keeping the group and the AA community informed of meeting location has been a challenge.

Issue or Concern your Home Group is having, or had, that you would like to share

Prior to COVID, Tradition Three Happy Hour met on both Monday and Wednesday evenings at the Northwest Christian Church, 1340 Fishinger Rd, Upper Arlington.

Due to COVID, we have changed this to an on-line only meeting and are only meeting on Wednesday night. Initially we averaged 25 people. Now we average 18-20 people. Before COVID we would have 30-40 people averaging in the low to mid 30s.

It is our intent to return to the Monday and Wednesday meeting format in the same physical location when it is allowed.
