

Grapevine Committee is preparing for next event. "Heard It Through The Grapevine Story Hour" will be held on zoom on June 24th from seven to eight at night. We are excited to provide information on Grapevine and La Vina along with the reading of two humorous Grapevine articles during the story hour. We are also making AA's aware of the Grapevine (aagrapevine.org) and La Vina's (alavina.org) websites and that from May 26th to June 10th they can login to both for free. This is in celebration of Founder's Day. New GVR's are continuing to come to our monthly meeting. We are looking forward to presenting Grapevine and La Vina as twelve step tools to help the still suffering Alcoholic.

Respectively submitted,

Taffy J, Chairman Grapevine
