

**DCM Chair Report for Area 53 Assembly
Sunday, September 12, 2021**

We opened the DCM Committee meeting in usual fashion, introducing ourselves and disclosing information about what is transpiring within each DCM's district.

Kathy B. gave an extemporaneous presentation about the Accessibility Committee, its purpose and the work being done; asking that those interested DCMs get involved.

Diann, Alt. Delegate and Mini-conference chair, strongly encouraged the DCMs to get involved with planning the next and future mini-conferences.

Stephen S. as Group Services chair announced the continued work and progress of the GSR orientation, explaining that the learning will be modular and multi-faceted.

Approaching the end of the meeting, I asked the DCMs how they acknowledge a new GSR and foster them into their District and introduce them to General Service work. An insightful conversation ensued.

Dan S., our Area Registrar, shared a letter from GSO about the DCM's new "read only" access to the Fellowship Connection database.

Finally, Diann asked that we postpone the sharing session topic, "Inspiring general service work through sponsorship" to the next assembly.
