REGISTRAR'S REPORT TO AREA 53 ASSEMBLY

DECEMBER 8, 2024

Groups in Area 53 – Currently, there are 817 groups meeting in Area 53. Active Groups include 418 Regular Groups, 5 Virtual Groups, and 3 New Groups. There are 391 Unknown Groups with no contact,

Data Integrity / Database Cleanup – I have worked to clean up the group and trusted servant data throughout this panel. This has caused a decline in the number of groups and active groups reported. We all know that there are many AA groups meeting that are not registered. They do not show up in these numbers. Each member is asked to work with such groups to help get them registered so a more accurate report can be produced. I will be happy to assist with such efforts.

Registrar Transition – Debbe Y, incoming Area Registrar, has met with me twice for orientation to the Fellowship Connection Database. Debbe is learning the system and should be well prepared to serve Area 53 as Registrar. I expect we will meet at least once more before the end of year, and I will continue to support her from the Alternate's position.

Thank you for the opportunity to serve Area 53 during Panel 73.

Respectfully,
Chris J, Registrar

Area 53 Assembly Meeting Accessibilities Committee Report December 8, 2024

The Accessibilities Committee hold their meetings on the fourth Saturday of the month at 11 am on zoom. The committee would like to ask all those interested in serving on this committee to come join us as we begin a new year with new leadership! All are welcome!

We are currently focusing on the following projects:

- We currently have 5 members
- Communication avenues to reach out to as many AA's needing reasonable accommodations as possible
- Designing a flyer to include many resource links
- Focusing on Assisted Living and Nursing Homes; identifying points of contact
- Add more resources to our webpage on Area 53

The committee wanted to stress to our AA members with disabilities and/or special needs that we would like to help whenever possible. If you need a reasonable accommodation to attend an AA event or to have access to AA resources, please contact us at accessibilities@area53aa.org.

The next meeting will be on Saturday, December 28th at 11:00 am.

Respectfully,

Kathy B., Chair, Area 53 Accessibilities Committee

Area 53 Archives Committee Quarterly Report December 8th, 2024

Archives Committee Mission Statement

The Area 53 Archives Committee works to aid groups, districts, and the Area Committees in preserving our AA story. This includes maintaining a repository of valuable artifacts and records from our past and present to ensure the integrity of Area 53 history.

The Archives Committee encourages Groups to select representatives (AGR's) for the Archives Committee. All members of AA are welcome to attend a monthly Archives Committee meeting to learn more about the Area 53 Archives Committee. The Archives Committee conducts a monthly meeting on the fourth Saturday of each month at 9:00 a.m. on Zoom; refer to the Area 53 website for details [Committee: Archives – Area 53 General Service \(area53aa.org\)](https://area53aa.org).

The Archives Committee is interested in partnering with groups and districts to discuss how to support AA's primary purpose. We can support you in facilitating workshops or a history presentation at your group's business meeting or anniversary. In the last quarter I attended the Grapevine Workshop, the Open House Event at COGF and the National AA Archives Workshop. Refer to the information below for more details regarding the National AA Archives Workshop.

The Archives Committee has forwarded a request to have the Membership review the pamphlet, **Is Area 53 Service for You? A Brief Introduction for the Newcomer to Alcoholics Anonymous Area 53 Service**, developed by Past Delegate Bill S. The pamphlet is on today's agenda for us to discuss.

27TH NATIONAL AA ARCHIVES WORKSHOP “24 Hours a Day: Then & Now” - September 26-29, 2024

In September of this year, I had the privilege to attend the National AA Archives Workshop in Des Moines, Iowa. The National Alcoholics Anonymous Archives Workshop (“NAAAW”) began in 1996 with a Workshop held in Akron, Ohio at the Mayflower Hotel. The Workshop grew out of the desire of a group of Archivists to have a Workshop for the Archivists operating within the General Service, Intergroup, and Institutions structures. These Archivists are found across North America as well as the rest of the world. We take our inspiration from the first General Service Archivist, Nell Wing (a non-alcoholic), and all the subsequent General Service Office Archivists.

I was happy to help with registering participants for our tour of the Iowa State Capitol building and the White House, a local treatment center. We toured the Iowa State Capitol building

and learned about how the history of the State House has been carefully preserved. Our next stop of the tour took us to the White House, which is located at 1400 Pennsylvania Avenue. The White House is a non-profit alcohol and drug rehab that offers treatment for a variety of substance abuse addictions including alcoholism. The White House offers meeting space for AA meetings.

The opportunity to meet up with folks that share a common purpose is a joyful experience. The workshop attendance included over two hundred attendees from the United States and Canada. I attended workshops/talks that focused on the following topics:

- **Archives Preservation**
- **Repositories and Storage**
- **Hank P. – Big Book Contributor**
- **Cybersecurity in Archiving**
- **Digitizing Archives**
- **Women in Early AA**
- **The Untold Story of AA’s “Fantastic Communicator “**
- **Anonymity in Archives in The New Age**

I was able to spend time with workshop participants to ask questions and explore opportunities such as growing our collection of group histories. The collection of AAs that are dedicated to preservation of our history is one of a kind. Many folks share freely their experience, progress, and resources. Many of the workshops were recorded and please contact the Archives Chair at archives@area53aa.org, if you are interested in listening to the recordings. I am looking forward to moving forward the ideas that I learned about at the workshop and appreciate the opportunity to be a part of preserving our Area 53 history.

I have included remarks from Chris J. who also attended the workshop:

- Honored to have been asked to share a presentation on the Life of Hank Parkhurst. Hank worked alongside Bill Wilson as Publishing Manager for the Big Book. I was grateful for the support of several friends from Ohio, Iowa and elsewhere.
- How to Conduct an Oral History Interview, Christine E, Area 9, So. California. She shared the questionnaire used for their interviews and several how-to tips like using her iPhone to simplify recording. However, the highlight of this presentation was her sample interview with Joanne L, currently serving as Regional Trustee for Western Canada. Joanne has more than 40 years of sobriety.
- Was impressed by the Archival Notebooks shared on a display table. These notebooks featured a mixture of items documenting the start of AA in several communities around the U.S. and Canada.

Respectfully submitted,

Teri G., Area 53 Archives Chair

Cooperation with the Professional Community & Public Information Committee
Report for Area 53 Assembly
December 8, 2024

Our Committee currently consists of approximately 8 members, mostly representing groups in Franklin, Union, and Logan counties. Our monthly meeting is the third Sunday of each month from 3:00pm-4:30pm, typically at the Franklinton Branch of the Columbus Metropolitan Library on West Town St. We provide virtual access to those who are not able to attend in person.

Since the last Assembly, our committee has continued its efforts to connect with professionals who are often the first point of contact for the still-suffering alcoholic, to educate them about what AA is and what AA isn't. Our members have staffed tables and networked at multiple area health fairs and veterans events. We were also invited by Two Men and a Truck, a local moving company, to give an informational presentation on AA at their quarterly all-staff meeting. Our members from District 1 have also participated in multiple community-based recovery events in Champaign and Logan counties.

We continue our efforts to educate AA members about the committee's work and how they can contribute. As our committee has gotten busier with events and speaking engagements, regular attendance at our monthly committee meetings has declined. We are looking to recruit members of AA to serve on a "volunteer roster." This is for AAs who cannot commit to regular committee meeting attendance, but would still like to participate in staffing booths and distributing Public Information materials in their community.

At our December meeting we will be electing trusted servants for the upcoming Panel. We have candidates for Chair and Secretary; we are still seeking candidates for Treasurer and IT.

In Service,

Jennifer R

Area 53 Grapevine Committee Report for 12/8/2024 Area 53 Assembly

- The Grapevine Committee Writing Workshop went great! We had 30-40 people in attendance. We would appreciate some more area/district support for the next event in 2025. The event planning will be passed to the next chair and committee. The total cost for the event was approximately \$380.
- Please let your Grapevine reps know that Grapevine has a YouTube channel, an Instagram, and The Grapevine Magazine app with a sobriety counter and Grapevine Quote of the day.
- Price increase cards for Grapevine Reps to display at their meetings are available and include the new price of \$36 for a print subscription. Feel free to contact me or the next Grapevine Committee chair at grapevine@area53aa.org.
- The Grapevine Committee is looking for Grapevine Reps who do not attend the monthly meeting to become involved. The committee meets on the first Saturday of the month. We have gone hybrid for Grapevine Reps in further districts to attend. The next meeting is January 4, 2025, 11 am at Central Office. Information available at: <https://area53aa.org/grapevine-committee/>
- A budget has been discussed and submitted for the 2025 year.
- The Grapevine committee has discussed and approved suggested Area 53 Grapevine Standing Committee Positions. A new chair, alt-chair, treasurer, alt-treasurer, secretary, and alt-secretary will be voted in for the next committee rotation starting in January 2025.
