Meeting day and time

1. How many original members still attend?
 - a. None

2. Meeting changes over the years?
 - a. The only thing I know has changed is the meeting time. It changed from 7:30 PM to 6:00 PM during COVID (2020) because we met outside of the church because we weren't allowed inside. It got dark earlier in the evening so we moved the time so we had daylight. We never changed the time back to the original time.

3. Group changes over time? (controversial subjects, group conscience, etc.)
 - a. I have been a home group member since March of 2004. There hasn't ever been a controversial issue since I've been in the group. It is a very laid-back group. Our attendance has stayed very consistent over the years.

4. Has the Group had any "unforgettable" members?
 - a. In my time, I would say no individual member has ever been deemed as more important than another member.

5. Has the Group been involved in outside activities as a Group? (12 Step work, workshops, conventions, etc.)
 - a. No

6. How does the Group celebrate members' sobriety anniversaries?
 - a. We don't do anything special for group members sobriety anniversaries. We give out coins for months 1, 2, 3, 6, and 9. We don't give out annual coins. We let that play out with the sponsor and sponsee as they see fit.

7. Has the Group had any problems, unusual projects or disagreements? How were they over- come?
 - a. Not one in my 22 years in the group.

8. What are the Group's strengths and weaknesses?
 - a. Our strength is

9. What other situation or event is particularly interesting/unique to your Group history?
 - a. We have a really loose format. We don't assign tasks for setting up or tearing down the meeting and don't have a solid list of who is chairing the meeting from month-to-month. It all just organically happens. We don't have elections, take minutes, or worry about what is upcoming. We live in the moment and trust that the Higher Power will work it all out.
